- Hartwick College, *Oneonta, NY*** Aug. 2020 - May 2022
- B.A. in Psychology, Summa Cum Laude with Class Distinction
- Nassau Community College, *Garden City, NY*** Sept. 2018 - May 2020
- A.A. in Liberal Arts with Honors
  - Personal Enrichment Sept. 2023 - May 2024

## Research Experience

- Hartwick College, *Oneonta, NY***  
Undergraduate Thesis Research
- Advisor: Dr. Lisa Onorato
  - Thesis: “The Effects of Red vs Green Nature/Urban-Viewing on Creativity”
  - Aimed to better understand which color, red versus green, suggested greater creative thought when presented in nature or urban scenes.
  - Used the Torrance Test of Creative Thinking - Figural, a Remote Associations Test, and the Unusual Uses Task to assess participant creativity. Results (Scene x Color) were interpreted in terms of aversion and appetite, and the Attention Restoration Theory.
- Hartwick College, *Oneonta, NY***  
Undergraduate Student Research
- Professor: Dr. Lisa Onorato
  - Study: “The Color of Nature and its Effect on Creativity”
  - Aimed to better understand if red or green color suggested greater creative thought when presented in various nature scenes. Used the Torrance Test of Creative Thinking - Verbal to assess participant creativity.

## Conference Presentations

- “The Color of Nature and its Effect on Creativity,” Eastern Psychological Association, 2022 Annual Conference, New York, New York. March 2022
